# Discover our tours!

## *Historical City Tour of Kinshasa* ( every Saturday)

D'jambo will take you for a fantastic ride into the discovery of the Congolese history and culture which makes Kinshasa « *the place to be* ».

## *The Zongo Falls Tour*

Nestled in a cocoon of intense greenery, the Zongo Falls will offer you a wonderful view that your eyes are not likely to forget any soon.

## *The Hiking Tour : Climbing Mount Mangengengé*

This pilgrimage site perched over 718 meters is a good preparation for climbing Mount Kilimajaro! At the top of the mountain, the view is spectacular.

## *Encounter the Bonobos and the Ma Vallée Lake*

Scientific studies have demonstrated that these great apes have their genetic heritage similar to humans at 98.2%. A beautiful hideaway in perspective that we offer.

## *The Botanical Garden Tour of Kisantu*

Come see over 2500 plant species; an arboretum with more than 200 domestic species and a herbarium of over 5000 specimens.

## *The Blind Cave Fish Tour of Mbanza-Ngungu*

Discovered by the Belgian Colonel Tordeur in 1915 and located 13 km from the city of Mbanza Ngungu, the Ngovo Cave houses small white blind fish.

## *Tailor your own D'jambo Tour!*
